

To the FCC,I am opposed to the NAB's petition 04-160. I pay for XM radio, and I don't want to be told what I can and can't hear on it. I am glad there is an XM radio because broadcast radio is of poor quality. I can't believe that this is even an issue. People wouldn't pay for a service if they didn't like it. Let us decide what we want for a change. DON'T GET INVOLVED IN SOMETHING THAT IS NOT YOUR BUSINESS!

Thannk you.

Bryan Killen
